07TRAVEL SAFARI TOUR

How about a fun nature tour!

Tour Program

After picking up our valued guests from your hotels between Türkler and Mahmutlar or from your specified locations, we set off to gather at the jeep safari center. On this tour, you will discover the natural face of Alanya away from the city, pass through the mountain roads and get excited by the hidden beauties. First, we see the magnificent panoramic view of Alanya city and the Mediterranean Sea from Kızılcaşehir and then we arrive at Akçatı village, 1.000 meters above the sea. Here we take a Turkish pancake break (gözleme) in a lush green nature, in a fresh air. After eating our delicious Turkish pancakes (gözleme), we take beautiful photos in the wonderful view of the Dim River Dam. After the photo shoots, lunch (the menu is usually fish / chicken, pilav, salad) and our swimming break at Dim River. After about 2 hours of free time, we are on our way to Dim Cave. Dim Cave is 360 meters long and is Turkey's second largest cave opened to visitors. You will see rich stalactites, stalagmites and travertine formations inside the cave. After our cave visit, we visit the orchards on the way. You will realize that your interest in natural life has increased while tasting the fruits you pick from the orchard. We end our tour in the orchard and return to the points where we pick you up. We say goodbye to you, our valued guests, hoping to see you on your next trip.

SAPADERE CANYON JEEP SAFARI FROM ALANYA

A great opportunity to touch the heart of nature!

Tour Program

We start our tour after picking up our valued guests from your hotels between Türkler and Mahmutlar or from your specified locations. After a gözleme break (extra) on the way, we go to the Dwarfs Cave. We reach the cave by passing through a path of about 180 meters in the trees. Considered a natural wonder, the cave has stalactites, stalagmites and stalagmites of various shapes and columns that are thought to have been formed in 10 to 15 thousand years. Also, travertines can be seen in the parts where water passes through. You will be amazed by the formations while exploring this historical and mystical cave.

We continue our trip with Sapadere Canyon. Sapadere Canyon is 750 meters long and 400 meters high. The canyon was formed over hundreds of years by water, wind and ground movements shaping the rocks. There is a walking platform made of wood and steel, in harmony with the natural environment, to make it easier for visitors to visit. The various shades of green in Sapadere Canyon, the Taurus Mountains in the background, the clean air, the sound of turquoise blue water gushing over the rocks will be an opportunity to touch the heart of nature. This is a paradise for nature lovers. Here you will have the opportunity to take photos of magnificent views. Our guests who wish can take a swimming break in the natural pool at the bottom of the waterfall, but we would like you to know that the water is ice cold.

We will end our tour with lunch. Lunch is included in the price and chicken/fish, pasta, salad are served. After lunch, we return to leave our guests to the points where we picked them up. We say goodbye to you, our valued guests, hoping to see you on your next trip.

CAPPADOCIA TOUR FROM ALANYA 2 DAYS

Saratlı Underground City - Dream Valley - Pottery Workshop - Pigeon Valley - Göreme Open Air Museum - Valley of Lovers - Turkish Delight Shop - Onyx ve Zultanit Center - Leather Center

Tour Program

1. Day:

We start our tour after take our valuable guests from hotels in 02:45 Mahmutlar, 03:00 Oba, 03:15 Alanya, 03:45 Konaklı, 04:15 Aysallar, 04:45 Okurcalar, 05:00 Kızılağaç regions or from the locations you have specified. After the breakfast break in the Taurus Mountains and the rest breaks in Aksaray, we arrive the Saratlı Underground City. In Cappadocia, underground is as impressive as above ground. Saratlı Underground City is a place from the Roman period. it is estimated to have 7 floors but 3 floors of the city were cleaned and opened to tourism. Here you will see the rooms, toilets, bathrooms and cellars, ventilation shafts, safety doors, water wells and cisterns and you are fascinated by the architectural genius of thousands of years ago. After lunch in Cappadocia, we move on to the natural wonder Dream Valley. Here, we see tuff formations that look like creatures that were once alive but later turned into stone. There are many human and animal shaped fantastic fairy chimneys in the area where you can use your imagination and have fun while you are visiting. Dream Valley will really make you feel like you are in a fairy tale land. Then, we are the guests of the Pottery Workshop, where we can learn about the important art of the region, 'pottery'. Here we will witness the story of the transformation of red mud into magnificent works of art in the hands of skilled craftsmen and then have shopping. Then we visit Pigeon Valley, named after pigeon houses carved into the rocks. The people of the region fed these pigeons until the 9th century and used their manure in the vineyards. This is the secret of Cappadocia's delicious grapes and winemaking tradition. After photographing the impressive fairy chimneys and rock-carved structures, we move on to the Göreme Open Air Museum. Located in Göreme, Nevşehir, this museum complex, which has been on the UNESCO World Heritage List since 1985 as a natural and cultural asset, hosted monastic life from the 4th century to the 13th century AD. There are Girls and Boys Monastery, St. Basil's Church, Elmalı Church, St. Barbara Church, Yılanlı Church, Pantokrator Church, Malta Cross Church, St. Catherine's Church, Dark Church, Çarıklı Church and Tokalı Church. From here we're going to the Valley of Lovers. The Valley of Lovers got its name because of its popularity among couples, the choice of this place for marriage proposals and the shapes of the fairy chimneys in the valley. This valley is one of the popular spots to watch the sunset in Cappadocia. After visiting the Turkish delight center and shopping, we're going to our 4-star hotel. After the dinner we have at the hotel, the guests who wish can join the Turkish night show in Yaşar Baba Restaurant or the laser show in the open-air theater for an extra fee.

2. Day:

We join the Balloon Tour or the Balloon Panorama Tour (extra, if there are enough people and weather conditions are suitable) with our guests who want it early in the morning. After breakfast at the hotel in the morning, we are guests at the onyx and sultanite workshop. We see decorative products and jewelry made of stones such as onyx and sultanite, which are the most famous products of the region. The Cappadocia lifestyle, built on stone, also shows itself in this area. On our way, we photograph the magnificent structures that turn the region into a fairy tale land below the Üçhisar castle in Panorama. Then we visit the leather center and have the opportunity to shop here. After a rest break in Aksaray, a lunch break around Konya and a rest break in Seydişehir, we drop off our guests at the pick-up points. We say goodbye to our esteemed guests, hope to see you on next trip.

CLASSIC HAMMAM TOUR FROM ALANYA

Are you ready to be reborn?

Tour Program

10:00 Okurcalar, 10:15 Avsallar, 10:30 Türkler, 10:40 Konaklı - per hour between Kargıcak-Oba We start our tour after picking up our valued guests from your hotels or locations you have specified. First of all, we start by opening the pores on your skin with the sauna. Sauna will allow you to get rid of stress and life problems, relax and unwind. After sweating and relaxing in a warm, humid and wooden room, we continue in the jacuzzi. After relaxing in the jacuzzi pool, we move on to the steam room, which is the easiest way to cleanse the body of toxins, due to which the pores of your skin will finally open, millions of sweat glands will begin to secrete, and the body will throw out metabolic substances and other waste products that it produces. Then we go to the Turkish bath. You will spend time in a hot and humid room with a raised marble platform (Göbektaşı) in the center. After you lie down on the platform, you will begin to relax your mind and body and get ready to exfoliate your skin. Our staff use a rough glove or scrub to remove layers of dead skin cells and remove them from all over your body from head to toe. Then you will open all the tense muscles in your body and feel like you have been reborn. Our professional staff use a special fabric containing foam. Your whole body will be covered with this foam. You will be washed clean, wrapped in towels and taken to our relaxation area, where you can listen to calm music and drink herbal tea. Then your 20 minutes oil massage begins. After the massage, our program comes to an end. We drop you off at your chosen points and say goodbye to our dear guests, hoping to see you on your next trip.
